Thursday - Oct. 4.

Peter Randall, Stillman Hobbs, Irene Palmer, Ruth Stimson, Odna Pearl Parr and Ruth Nutter met with Town Manager Peter Lombardi in his office at seven P.M.

Maps were studied and explained concerning the placing of 5,000 Cubic yards of fill in Hampton River for the purpose of expanding the parking lot bounded by Brown Ave. and Ashworth Ave. Most of Mr. Lombardi's conversation concerned the sewers - and maintainence of the sewer now under water at high tide - which was installed in 1935.

Ruth M. Nutter
Secretary

Mr. Lombardi noted that the Landing - Lafayette Rd. is now overloaded - also the one running from Lamie's Tavern to Park Ave & to Landing Rd. to Tide Mill.
