Shall the Town of Hampton Amend Article II – Districts, Section 2.3.2 Definitions and Delineations – Subpart H

The Hampton Salt Marsh and the Taylor (East) River complex as mapped in Exhibit 27 and Exhibit 20, respectively in the February 8, 2006 "Prime Wetland Inventory Report" by Gove Environmental Services, Inc. and as later also described in said Report under Recommendations for Hampton Prime Wetlands, is hereby designated a prime wetland for purposes of RSA 482-A:15 and Department of Environmental Services regulations.
