

HAMPTON CONSERVATION COMMISSION

MAY 17 1965

Scheduled meeting of the Town of Hampton, N.H. Conservation Commission held at 7:00 pm in the Municipal Court Room with members - Ruth Stimson, Mimi Waters, Edna Pearl Parr, Margaret Lawrence, Harold L. Pierson, and Samuel A. Towle, present.

Invited guests were members of the Conservation Commissions of Hampton Falls, Exeter and Rye.

Slides on the Forestry Farm Program, as related to water conservation - in Rockingham County and New Hampshire - shown by County Forester Stanley Knowles .

Chairman Stimson read a letter from the Water Control Board regretting their present personnel situation that precluded the sending of a representative of that Board speaking to this meeting- but would hold a date open for this purpose at our fall meeting.

Chairman Stimson also read copies of letters from and to Dr. Mary Atchinson and F&G Commissioner Ralph Carpenter, clarifying their positions on the proposed sanitary land fill project proposed for the Eel Creek-Spring Marsh section in Hampton.

Members of the visiting Commissions expressed their thanks for being invited to the joint meeting, agreed that this procedure should be carried thru at future meetings, inasmuch as we were all feeling our way along at this time.
