

Hampton Conservation Commission

March 26, 1979.

Our Chairman, Nelson Grant, opened the meeting with Loren Hutchins, Neil MacPherson, Irene Palmer and Ruth Nutter present.

The minutes of the January 22nd meeting were read and approved with no change. Due to a severe storm on February 26th, that meeting was cancelled.

In submitting the Treasurer's report, Neil said there was no change in our bank balance, as of Jan. 22nd. Old business: The Special Board Water Resources sent a cease and desist order to a sub-division development on March 20, at the continuation of Willow Lane, off North Shore Road.

Loren made a motion that the Chairman contact Edna-Pearl, and get the procedure for the mechanics to apply to the National Register of Historic Places. Ruth seconded, and the vote was unanimous.

New business:

Nelson brought to our attention that this was the time to elect officers for the coming year. Due to the fact that we did not have 100 per cent attendance, it was agreed to take care of this at our next meeting.

This meeting was adjourned at 9:10.
