Items Discussed at the Meeting

Item #	Topic	Description	Action Required
1	Next HEC Meeting:	June 6, 2013, 7 pm , Town Hall media room (basement).	
2	Announcement(s):	HEC meetings will be changed from monthly to every other month.	
3	Energy Conversations	HEC members discussed Third Party Electric Power Suppliers (TPEPS) such as North American Power and ENH Power and how this new service compares to that provided by utilities such as PSNH and Unitil. Some topics discussed included: <ul style="list-style-type: none">• TPEPS offer competitive supply pricing for electricity.• Electricity delivery prices remain the same regardless of supplier as delivery pricing is regulated by the Public Utility Commission.• TPEPS in the residential market are currently available in other states but have just recently began expanding services in NH.	
4	HEC Website	Current HEC website needs to be updated with current projects and photos, such as the Library energy improvements.	Irina to follow up on updating the website.
5	Solar Lighting	Solar lighting could offer energy savings in Hampton.	HEC members to look into solar lighting project opportunities in Hampton and funding sources available.
