

Town of Hampton Mosquito Control Committee

May 17, 2005

Minutes of Meeting May 17, 2005

Attendees:

Ann Kaiser

Russ Bernstein

Absent: Rich Reniere

Sarah MacGregor of Dragon Mosquito

The meeting was called to order at 5:30pm.

Ann and Russ looked over the reports from Dragon. The only issue that came up was the need for Dragon to include the actual larvacide usage to give us an idea of the level of treatment and costs.

Ann stated that since Waterglade saltmarsh had a high dip, Dragon will need to gain access to treat. Peter Olney will contact Dragon to arrange this.

Motion to adjourn at 6:00pm.
