

Town of Hampton Mosquito Control Committee

June 21, 2005

Minutes of Meeting June 21, 2005

Attendees:

Ann Kaiser

Russ Bernstein

Rich Reniere

Absent: Sarah MacGregor of Dragon Mosquito

The meeting was called to order at 5:38pm.

Upon reviewing the monthly reports from Dragon, Rich stated that the catch basin data showed no activity. We should ask Sarah about this. Ann opined that this may be a manpower issue.

Rich wants to ask the Board of Selectmen for \$30,000 to be added back into our budget for adulticiding. The committee agreed to ask to be put on the BOS agenda for 6/27. Rich will call Karen Anderson. Ann will call Sarah to see if she will attend with us to offer an expert's assessment of the value of adulticiding.

We decided that if the news media does not publicize our request, then we should send a letter to the editors.

Motion to adjourn at 6:00pm.
