Part-Time IT Position

The Board discussed the resignation of the part-time IT employee that is effective May 22, 2013. The employee will be leaving the State.

Following discussion it was the opinion of the Board that the position should be made full time as recommended by the Finance Director. The Staff was directed to proceed to fill the position as full time as soon as possible. The Board would like a review of the possibility of contracting out IT services in the future.
