Shall the town of Hampton, NH vote to raise and appropriate funds in the amount of \$49,500.00 to fund the installation and construction of a prefabricated restroom facility at Plaice Cove town beach.

Whereas sanitary facilities do not currently exist at Plaice Cove, I propose the installation and construction of a permanent sanitary facility / public restroom at Plaice Cove for use by town residents & guests. This modest building will incorporate; two ADA compliant unisex bathrooms with flush toilets and sinks, a storage/utility room and two (2) open-air rinsing stations. Building will tie into town sewer and water and electric.

The absence of restroom facilities at our town beach has created a public health hazard and environmental issues. Additionally this will resolve the inconvenience of having to interrupt or curtail beach outings, and a coveted parking spot, to locate a bathroom elsewhere?
