- VI. Town Manager's Report
 1. The Town had received a complaint from residents on Battcock Ave, Jo-Ann Lane, and Susan Lane regarding problems with Beach visitors who park in this area to avoid paying parking fees and who tend to dispose of their trash by throwing it on the abutting Town and resident's property. Public Works has been requested to clean up the mess. It is recommended that this area be made NO PARKING in order to avoid these issues and to save tax dollars from the cleanup and to assist the residents who have been forced to clean up their own properties.

2. The Town conducted the Annual Auction this past weekend. A special Thank You to Past Selectman Bill Lally who conducted the activity.
3. The Annual Budget Books have been released to the Budget Committee for their use in the scheduled review of coming Town expenses.
4. Last, but not least, I am pleased to report that I have appointed Richard Sawyer to be the next Chief of Police of the Town of Hampton in accordance with RSA 37.
