 1. Please remove Trash and recycling carts from the streets and sidewalks once they have been emptied. If collections will not take place due to weather conditions, please do not place them in the streets or sidewalks, as they will interfere with plowing operations.
 2. Thank you to our residents who are recycling. As our tipping fees for the disposal of non-recycled wastes increases, we need your assistance in recycling more so that we can hold down tax expense. If everyone recycled all of their paper wastes, we could remove 50% of all the solid wastes that we must pay to dispose of. That represents an additional 20% off our disposal fees of approximately \$75,000 annually for which you are not taxed.
 3. Thank you to the 99.9% of residents who are not parking on streets between 1AM and 7AM in accordance with the parking ban ordinance, we appreciate your assistance in providing for proper street maintenance during the winter months.

4. The time period in which petition warrant articles to request changes to the Zoning Ordinance ended on Wednesday, December 14.
