

Our fastest growing division, MiniKickers is an innovative program created by childcare specialists to introduce children aged 2–5 years to the basic skills of soccer.

Minikickers introduces your young soccer stars to the basic skills needed in soccer. In addition, your child will explore and learn in a relaxed and fun environment building upon their motor, social, physical and emotional skills all through the medium of soccer.

Our British coaches are experts at working with young children and will combine soccer with fun games, stories and music, that keep your child entertained and enthused to return next week. With thousands of happy parents and endorsements by several of the nation's top institutions, MiniKickers is a great addition to preschool, YMCA, Park & Recreation, and Soccer Club programming.
