

**TOWN OF HAMPTON
NEW HAMPSHIRE**

PUBLIC NOTICE

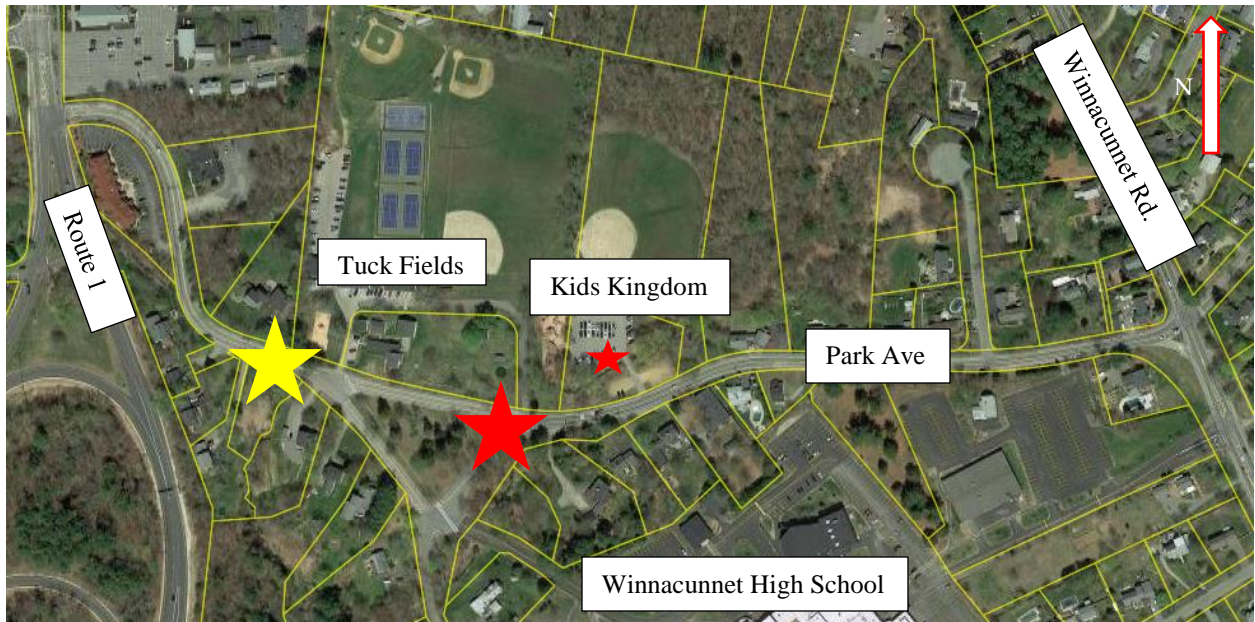

Date: August 2, 2019

RE: **Park Avenue Road Closure**

The Department of Public Works along with its contractor Sum-Co Eco-Contracting, plan to begin replacing the culverts along Park Avenue on **August 19, 2019. Park Avenue will be closed to through traffic during construction.** Message Boards will be placed at each end of Park Avenue to indicate when the road is closed.

We anticipate construction will last through the middle of October. The project will be broken into two phases and the locations of road closures are shown with the large stars below. We will provide notice via the message boards when Phase 1 (yellow) is complete and when Phase 2 (red) will begin.

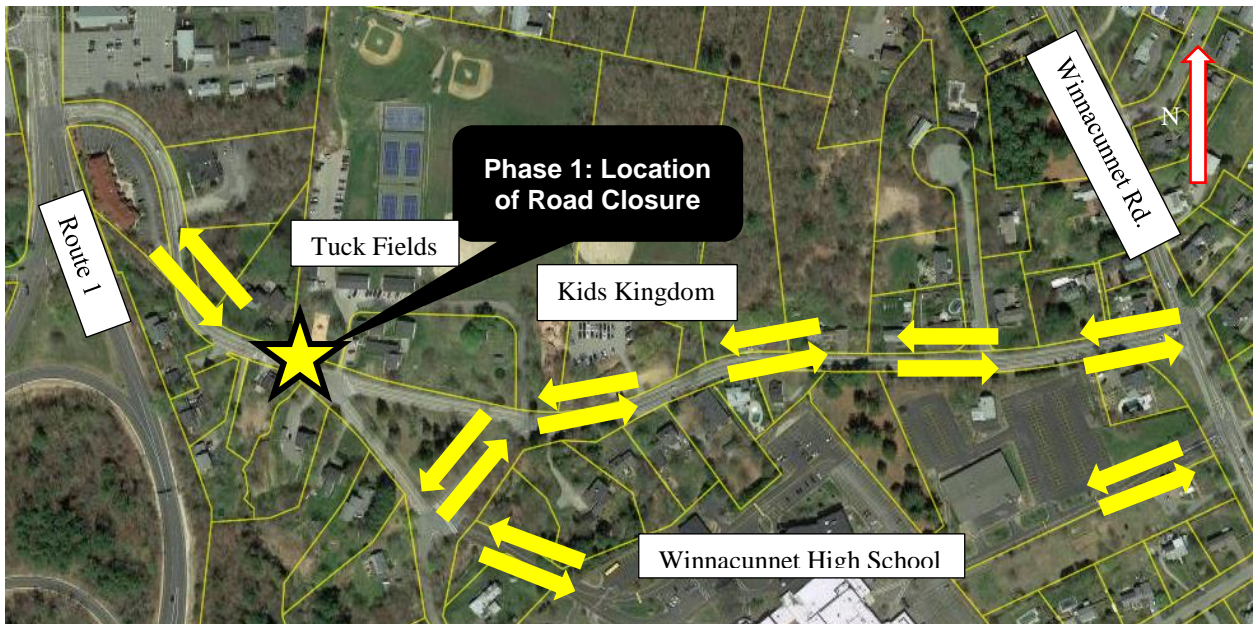

The attached images identify the locations of the road closures for each phase. Please use caution when driving in this area and leave additional time for detours. If there are any questions, please do not hesitate to call our office at 603-926-3202.

Park Avenue Road Closures for the Culvert Replacement Project Begins August 19, 2019

The first phase will replace the culvert that is located to the west (Route 1 Side) of the Tuck Field Entrance. This phase will be completed first. Park Avenue will be closed at this location, requiring that all access to the High School, Tuck Field and any homes to the east of this culvert to be accessed by Park Avenue via Winnacunnet Road.

The second phase will replace the culvert into the Kids Kingdom Parking lot and the culvert across Park Avenue located to the west (Route one side) of the Kid's Kingdom parking lot entrance. Park Avenue will be closed at this location, requiring that all access to the High School, Tuck Field and any homes to the west of this culvert to be accessed by Park Avenue via Route 1. Homes to the east of this location can be accessed via Park Avenue from Winnacunnet Road, and the High School can also be accessed via the gated entrance off of Winnacunnet Road.
