

HAMPTON HARBOR BRIDGE

PUBLIC INFORMATION MEETING

Wednesday,
September 26, 2018

7 p.m.

Marston Elementary
School
4 Marston Way
Hampton

For more information on the project,
see the project webpage:

Meet the project team and learn about a NH Department of Transportation study that will recommend either the rehabilitation or replacement of the NH Route 1A bridge, a vital coastal transportation link between the Towns of Hampton and Seabrook. An Environmental Assessment will also be completed to assess the social, cultural, and environmental impacts of the project. The public is invited to identify concerns they feel should be addressed through the Section 106 review process, a component of the National Historic Preservation Act.

Any individuals needing assistance or auxiliary communication equipment due to sensory impairment or other disability should contact the Bureau of Right-of-Way, NHDOT, PO Box 483, Concord, New Hampshire 03302-0483 – TDD Access: Relay NH 1-800-735-2964. For questions about the meeting, please contact Jill Barrett, Community Liaison, at jbarrett@fhiplan.com or 860-570-0740; or Jennifer Reczek, Project Manager, at jennifer.reczek@dot.nh.gov or 603-271-3401.
