Proposed Amendments to Section 1.6 - Definitions

Parking Area: ~~Excluding personal use, any commercial (for pay) public or private area, under or outside of a building or structure, designed and used for parking motor vehicles including parking lots, garages, private driveways and legally designated areas of public street. (Amended 1997)~~

Parking Lot: ~~Excluding personal use, any commercial (for pay) off street, ground level open area used for temporary storage of motor vehicles. (Amended 1997)~~

Parking Lot: Any public or private area providing parking (including for pay) under, within, or outside of a building or structure, designed and used for parking motor vehicles, such as parking lots and garages, and also including any off-street ground level open area, enclosed area, or elevated area used for the temporary storage of motor vehicles.

Parking Space: A surfaced area, enclosed in the main building or in an accessory building, or unenclosed, having the dimensions of not less than nine (9) feet by eighteen (18) feet, measured at right angles (rectangle), exclusive of driveways, permanently reserved for the temporary storage of one or more automobiles and connected with a street or immediately by a surfaced driveway which affords satisfactory ingress and egress. Legally designated areas of a public street are also included herein. (Amended 2003)

Stacked Parking: means Aa parking situation where more than one space exists in a line of spaces and only one space in the line has unobstructed access at all times into or out of the adjacent street or right-of-way. (Amended 2007)
